SPRING, 2010

SPECIAL DISCOUNT OPPORTUNITIES

We are pleased to offer our riders Special Discount Opportunities for the upcoming spring riding session. We realize how tough the economy is, and hopefully this will help out families who are able to take advantage of these offers.

2010 LESSONS AT A 2009 PRICE

We decided not to raise our fee for the Spring, 2010 session and keep it at \$310.00.

MULTIPLE RIDER DISCOUNT

We are offering a 10% discount to those families who register more than one rider in their immediate family for the spring session. Riders must enroll for the entire session.

Each rider would only pay \$279.00 instead of \$310.00. You still have the option of paying in full, paying half or the 3 payment plan. For two riders, the 3 payment plan would total three payments of \$186.00 with the second and third payment due on the dates stated in your Letter of Confirmation which you will receive approximately one week prior to lessons starting.

ENROLL A FRIEND DISCOUNT

Riders will receive a 10% discount if they have a friend interested in taking lessons, and that friend signs up for lessons for our spring session. You would pay only \$279.00 instead of \$310.00. The payment plans, as stated above, can apply. Friend must be new to the riding program or has not ridden with us for the past year. Just let us know the name of your friend, and when they enroll, the discount will apply.

Any family who has more than one immediate family member enrolled for lessons, and one or each of the enrolled family members has a friend sign up for lessons, that enrolled family member will receive an additional 10% off.

We are excited to offer you these money saving opportunities and hope some families will be able to take advantage of them.

PLEASE COMPLETE THE DISCOUNT FORM IF YOU ARE PARTICIPATING IN ANY OF THE SPECIAL DISCOUNT OPPORTUNITIES AND RETURN WITH YOUR ENROLLMENT FORM.
